Summary

Highly motivated and detail-oriented M.Sc and B.Sc graduate in Physics with a strong foundation in data analysis, scientific methodologies, and problem-solving. Equipped with hands-on experience in HTML, CSS, and SQL, I am eager to transition into the IT industry, focusing on software development or data science. My academic rigor, coupled with a passion for technology, enables me to approach complex challenges with analytical precision and innovative thinking.

Education

Annamalai University — **Sep 2022 - May 2024**
